**Downhill Race** // Each racer will have two chances to put down the fastest time on Gravity Cavity! Take advantage of pre-ride time... Gravity Cavity is having some trail work done specially for Bike Fest! Top 3 in each category will be awarded; cash prizing for Pro Men and Women.

**Dual Slalom** // Battle head-to-head on a brand new dual slalom course! Riders are guaranteed two seeding runs to qualify, then it's straight into an elimination tournament bracket. Racing starts when the gate drops, sending two riders down the course at the same time. New in 2022, riders will be timed on both sides of the track. Fastest combined time moves on to the next round. Top 4 in each category will be awarded; cash prizing for Pro Men and Women.

**Enduro** // The Enduro returns to HV Bike Fest and is growing! Taking over the whole Bike Park, the enduro will challenge riders on the climbs and feature a different set of downhills from 2021! With a centrally located aid station, riders will be able to refuel & hydrate throughout the race. Race will start with a climb to the first downhill stage. Top 3 in each category will be awarded; cash prizing for Pro Men & Women.

**Film Premiere Party** // Local rider Justin Skinner and We Are One Composites have partnered to bring you a new short MTB film shot here at Horseshoe Bike Park. Come watch it for the first time on the big screen on the outdoor patio! A pair of We Are One Revolution Union Rims will be raffled off. All proceeds going to Copeland Forest Friends. Come early and enjoy live music in the crazy horse and stay late for more bike movies on the big screen!
