About Horseshoe Resort

Horseshoe opened in 1962 for skiing with 5 slopes, 2 T-bars, a rope tow and small base lodge. When celebrating our Silver Anniversary in 1987, the Inn at Horseshoe opened and welcomed the first overnight guests. We've grown a lot more since then! We are happy to remain a part of the vibrant and welcoming Horseshoe Valley community.

Feel the winter rush with 28 ski runs, 304 feet of vertical rise, 6 lifts, Ontario's longest beginner's carpet and Outlaw Terrain Park. Horseshoe Resort will deliver all the skiing and snowboarding excitement you can handle! We offer some of the best cross country skiing in Canada. If skiing isn't your thing, strap on some snowshoes, jump on a fat bike or create everlasting memories on Ontario's longest snow tubing hill.

In the warmer months, hit the downhill and cross country mountain bike trails, play a round on our Valley Golf Course, enjoy slopeside activities, climb and zip in the Treetop Trekking park or make a splash in Lake Horseshoe!

Can you count how many horseshoes are hidden on the pages of this menu? Here is one to start you off! Answer is on the inside seam.
