Dinosaur World Live

Now an international smash hit, this show has delighted critics and audiences alike, from all ages 3 and above. Using stunning puppetry to bring remarkably life-like dinosaurs to the stage, DINOSAUR WORLD LIVE presents a host of impressive pre-historic creatures including every child's favourite flesh-eating giant, the Tyrannosaurus Rex, along with a Giraffatitan, Microraptor, Segnosaurus and Triceratops. The show introduces Miranda, daughter of palaeontologists, who grew up surrounded by dinosaurs on a far-away island off the coast of South America. She has brought her pre-historic pals to your local theatre and would love you to meet them. Warning: some of these dinosaurs aren't as docile as they seem!
